Nancy should the premeet also include OGC (e.g., the team that will be on the call with the Hill) or just OPPT?

Nancy – it's sounds like you would like a precall or meeting with your folks before the 11:15 call with SEPW staff. Do you want to shoot for 10 or 10:30? If necessary, we can push the call with SEPW to after 2:30. It's scheduled at 11:15 because that's when TRI technical staff were available. Thanks,  
Sven

We need a premier before the call with them. Is this the premier?  
Thanks Sven
